3) The draft Bye Laws are stated to be for levying market fees for holding weekly shandy in the area known as "Barr Market"

4) In Bye Law No (1) the boundary limits of "Barr Market" have been specified and this area has been termed market" for the purposes of these bye laws The use of the term market twice in this bye law is ambiguous as this area is quite distinct from the public market which forms a part of its boundary

ye Laws for the levy of market fees in Shandies — Tarikere Municipal Council

5) In byelaws two to fourteen, the words used are: (1) above described place, (2) place above described, (3) above named place etc. Different expressions have been adopted, and the term "market" is not used in any of these byelaws

6) Bye Law No 14 is stated to apply to any public place market, whereas the scope of these bye laws is to regulate the sale of articles in weekly Shandies

7) The draft Bye laws seem to require to be revised in some of these matters

8) Submitted for orders if the file may be returned to the administrative section to take necessary action in this behalf

9) The bye laws may be amended in the following manner

Bye law no 1 may be recast as follows —

the area comprised in the present market known as the Cattle market the space on either side of the H.B. Road from the Bureau Jetty up the Junction of the C.T. Road and B.H. Road, the space on either

side of the forbidden Road and the Space in front of the present Cart market all together form the Market area to which these Bye Laws shall apply

Bye laws 2 and 3 may be Clubbed together and recast as follows

"2 Every person intending to use any Space within the market area on any Standy day, that is to say, from 6 P.m on a Thursday to 11 P.m on the next/Friday shall pay in advance the fee at the rate Specified in the schedule annexed to these rules and obtain a receipt therefor

Bye law 4

Any person having any part of the market area on a standy day without having paid the fee as required by Bylaw 2 and having obtained a receipt therefor shall be liable to be evicted from the market area

Bye law 5 No Space in the market area shall be used for business beyond the line Specified Bylaw No 2

A new Bye law may be added as follows after Bylaw 5

Any person who has paid the fee & Specified in the schedule and has obtained a receipt therefor shall conduct his business on the standy day only in the Space allotted to him by the Municipality

In the light of the bye laws, Bylaw No 8 becomes unnecessary and may be omitted

WD 02139—GPB—20 000—26 2 45

Byelaws 17 & 21 merely repeat the provisions of the Sale Conditions appended to the byelaws Instead of such repetition an byelaw should simply refer to the Conditions

Byelaw 17

" Where the said Market master or Stands or anything the provisions of the Conditions of sale appended hereto shall apply and shall be followed "

Byelaw 22 - not clear. If it means that any person may put a Stall erected for him for one day any Standing day on payment of a lump sum instead of at daily rate this has to be made Clear

Condition of sale Item 2 it is not known why the highest bidder's deposit should not be returned. or means "successful bidder" perhaps and on the assumption the condition has been changed. Even this deposit by the returned in all persons at the end of the year and the municipality has to examine this

Schedule instead of saying on any Friday it should specify " from 6 pm on a Thursday to 11 pm on the next/immediate Friday

The rate per Standing Day and the days to be made clear

The power from the President

to impose a fine on the Contractor up to Rs 25/- (twenty five) and may be deleted from the Contract for breach
